IN CONVENTION AT BOSTON, MASS., JULY 6-10, 1903

SECRETARY'S OFFICE,

WINONA, MINN., March 25, 1903

President Wm. J. Kerr,
Utah Agricultural College,
Logan, Utah.

Dear Sir:-

I am sending inclosed a list of the Educational Institutions and Libraries enrolled as permanent members of the National Educational Association. Nearly all of these institutions have purchased full sets of the Proceedings or have completed partial sets previously obtained.

I note that your institution is not enrolled tho I suppose you have a more or less complete set of volumes in your library. Permit me to ask if you do not wish to complete your files and enroll your College. The enrollment will cost nothing if your College now owns, or will purchase two or more volumes in addition to the volume for the current year, Minneapolis meeting.

Your library will then receive for the annual membership fee of \$2.00 not only the annual volume of Proceedings as soon as published each year, but all other publications, reports, reprints, etc., that may be issued after date of enrollment; and will also be entitled to active representation at the annual conventions of the Association. I am sure that I do not need to urge upon you the value of these publications in any library designed to supply the needs of teachers and others interested in educational problems and progress.

I take the liberty to inclose a blank application for institutional membership and a price list of publications, from which you will see that the supply of volumes is limited. Membership may terminate any year by giving notice before September 1st.

We shall be pleased to be permitted to add the name of your College to our list, in confidence that the relation will yield you satisfactory returns in various ways.

I believe that we sent you, a year or more ago, a gratuitous copy of the Index Volume, which is doubtless in your library. If not, we will supply a copy without charge with any purchase of volumes that you may make, or will send you a copy in advance of purchase if you desire.

Thanking you in advance for an early and favorable reply,

I am sincerely yours,

Irwin Shepard
Secretary.

Dictated.
